FOR IMMEDIATE RELEASE

**LAWRENCE LIVERMORE NATIONAL SECURITY, LLC
ANNOUNCES \$100,000 COMMUNITY GIFT PROGRAM FOR 2009**

LIVERMORE, Calif., June 22, 2009 — Lawrence Livermore National Security, LLC (LLNS) is kicking off its annual Community Gift Program to benefit local and area non-profit organizations for 2009.

The program provides up to \$100,000 in funding to support organizations addressing science, technology, engineering and/or mathematics (STEM) education, community-service and philanthropic needs in communities having a large population of Lawrence Livermore National Laboratory (LLNL) employees. Nonprofit California educational institutions, IRS-qualified 501(c)(3) organizations, and government agencies serving Alameda, Contra Costa and San Joaquin counties are eligible to apply. Gifts will be awarded in amounts from \$1,000 to \$20,000. Established in 2008, the program received more than 140 applications for grants in its first year. Twenty applications were selected for awards, the majority of which served children in the Tri-Valley and San Joaquin County, with a focus on science and math education and cultural arts. The Community Gift Program expands upon LLNS' community giving, which continues to benefit the Greater Bay Area. In December 2008, LLNS matched \$1 million in employee donations to the Lab's HOME (Helping Others More Effectively) Campaign. The HOME Campaign benefits community/nonprofit agencies in the Tri-Valley, San Joaquin Valley and Greater Bay Area. Since 1997, HOME has raised more than \$1 million annually through employee donations that go directly to agencies selected by the employees. Last year LLNL employees pledged more than \$1.6 million to the HOME Campaign, benefiting 446 agencies. Adding the \$1 million LLNS match brought the total contribution to nearly \$2.7 million.

“LLNS is committed to being a good neighbor in our local communities, and that includes helping other organizations assist those in need,” said George Miller, LLNS President and LLNL Director.

All organizations interested in applying to the LLNS Community Gift Program must submit a gift application to LLNS by August 5, 2009. To be eligible, organizations must be sustainable and financially viable and accountable for spending and program results. All applicants will be notified of the outcome of their proposal by Sept. 9, 2009.

More information on LLNS and its Community Gift Program is available at www.llnslc.com. For an application, go to the Web at <http://www.llnslc.com/communityGiving/gifts.asp>.

###

The LLNS team was formed to manage and operate Lawrence Livermore National Laboratory by entities renowned for their expertise and accomplishments throughout the DOE nuclear weapons complex and beyond. Bechtel is the largest project management contractor in the United States. The University of California is the world's largest academic research institution. BWX Technologies and Washington Group International are the top two DOE nuclear facilities contractors and between them manage and operate four of DOE's five safest sites. Battelle is a global leader in science and technology and commercializes technology, performs contract research and manages laboratories for government and industry. The team also includes Texas A&M University, which provides programs in homeland security and national security.
